Melissa, thanks so much for organizing that. And for asking folks to spell their names. Very helpful.

You mentioned you'd look into the number of claims filed, will you send that here once you have it?

Also, I had asked on the telephone if your colleagues believe the spill could be larger than 3 million gallons, since the water continues to spill out. Is it possible that total spill will be more than 3 million gallons?

Me: 301 928 5072. Thanks so much.

Julie
